

# Where Is Everyone Hash House Harriers (WIE H<sup>3</sup>) Spring Weekend 2010 March 5-7, 2010 in Ocean City, Maryland!!

"We "may have to pass the hat for beer on Sunday, but at least we're not f-in' you up front..."

Get ready for the first (and if this sh\*t works like we hope it does) annual

**WIE H3 Spring Hash Weekend** (aka the WIE Weekend, or W<sup>2</sup>). The goal of this weekend is very much like the goal of any other hash event: Get hooked up with a great deal regarding rooms, food and beer. And if you happen to snap off a piece, all the better. And if you snap more of than just a piece and wind up needing a shot ... then that sucks for you. So let's have fun, carouse, and rock like a super star!!

**Cost: \$99** and here's what you'll get:

- \* **3 TRAILS!!** There will be a pick up hash Friday, a live trail Saturday, and a recovery trail Sunday (and none of this walk 100 yards, shit... it's a 2- to 3-miler)
- \* **Lodging for 2 nights!!** Each participant is guaranteed a decent place to sleep. No one will be sleeping on the floor... Rooms hold 4 people. If you want a room to yourself or double, please let us know (you'll be paying the difference yourself).
- \* **A White House H3-sponsored Hashpitality suite** on Friday night (buy your WH4 MM a beer!!)
- \* **Breakfast each morning and lunch & dinner on Saturday!!**
- \* **Saturday night pubcrawl!!** Ok, it's on your nickel, but at least we're organizing it for you!!
- \* **A couple extra surprises here and there!!** Note: to keep costs down, there will be no giveaways. Not even a toe tag.

At some point, we are going to jack the shit out of the cost of a rego. We're being up front about f-in' you on that, too...

To register, print this out and bring it to any hash that WaxOnWhacksOff (WoWo) or Assflac (Assflac) is at. Checks payable to Jason LeBlanc. Cash is good too. Or, rather than guess where we'll be, mail it in: JASON LeBLANC, 1038 Lamont St. NW Apt. T-1, Washington DC, 20010. You can also use PayPal, sending your payments to [jleblanc@jhu.edu](mailto:jleblanc@jhu.edu) and emailing a copy of your rego to the same address. You will pay the convenience fee yourself (about \$3).

~~~~~ Fill out the bottom portion and return with your \$99 ~~~~~

Completely useless but for some reason completely required disclaimer: I understand that running and drinking is excruciatingly fun, and that the opportunity to get laid is indeed fantastic. I also understand that it's kind of idiotic, and I might be dumb enough to injure myself. If so, I will not hold the organizers of the event responsible. And if I decided to sue, I will have more luck in the Democratic People's Republic of North Korea (DPRK), where I will promptly be imprisoned for illegally crossing the border, making my litigious attempts stupid.

I understand that hashing is dangerous and there are inherent risks associated with such an activity. I have made myself aware of such risks. I assume full responsibility for myself and my actions. I do not hold anyone associated with the event to include the planners, participants, or others liable for anything that may happen to me during the course of this activity. I agree to hold harmless those named above but in the event that a suit it filed it will be filed in the Commonwealth of Virginia.
