Volume 2 - Trail #886

**HASH #886
THE ROCKY HORROR HASH**

HARES: ROCKY WHORE, GRANNY BOULDERS, FLYING BURITO, CORKSCREW, WANKERS AWEIGH, and HOT LEGS

TRAIL REPORT

WOW, just getting to the start was fun! Over hill, over dale, imbedded in the deep heart of Bailey's Crossroads was Bailey's Elementary. LULU and I arrived to find a difficult parking situation, seems all those wee little kiddies don't drive and thus Elementary schools have VERT small parking lots! As we arrived DANGEROUSLY CLOSE was leaving and just a few seconds later the hash took off toward the back of the school...

Turned out to be a perfect day for hashing, mostly sunny and cool. I missed Father Abraham. Evidently things actually started on time, what's with that? (must be the new 'order'). In honor of Rocky Horror, squirt guns were issued to the on-timers. BURITO led the walkers after helping set the running trail, what a dude. We wound through woods and crossed a few streams. A few tried to be gymnasts and not get wet, but it wasn't going to happen. Everything was perfectly coordinated though, as the runners came in at the same time as the walkers.

At the on-on GRANNY BOULDERS and ROCKY WHORE dressed as nurses (Jane from the movie? I haven't seen it, but that's what I gathered) served up the most amazing quantity of meat loaf I have ever seen. There was also pasta salad, green salad, chips, cheese balls (I was told you MUST have orange food) and of course BEER.

The circle took a little while to 'gel'. BURITO received lots of guidance from DUAL AIRBAGS and HARD DRIVE to keep things running smoothly.

We named JSUT ALAN. The runner-up names were: Hooter Husker and SSSOOOOOOOOEEEEEEEEEEEEEEEE (hollered really loudly, like a pig call). But henceforth and forever more in the Mt. Vernon Hash, and throughout the world of hashing, Just Alan shall be known as SCHWEINCHEN DICK (German for Porky Pig) (Most were pronouncing it as Shwanken Dick).

~ ~ **SIGN UP FOR PA INTERHASH '04, 9/17-19!!** ~ ~

VIOLATIONS:

(Oh No... Say it isn't so!)

- 1) CYCLOPS had a phone call on trail - YIKES!
"Communications outside the hash? You should know better!"
- 2) BYTE LIGHTNING was so far ahead the hares that he had to set extra checks and THEN he did a drive-by shootings of the walkers he passed (he wasn't even at the circle to defend himself)
- 3) JUST ALAN (before he became SCHWEINCHEN DICK) for his dog going number 2 on trail and for being a toilet paper May pole!
- 4) The Guy with the 'God' shirt for following an invisible trail (before that section was marked) and for showing his belly with the midriff shirt. "Was this your BOOB TEASER?!"
- 5) FLYING BURITO for this Mea Culpa Hash, (seems last year didn't go quite as well)
- 6) BIG BIRD TURD got wet... he took a fall into the Water that most others were able to pass.
- 7) Everyone who had never seen the movie Rocky Horror Picture Show had to drink for just plain being lame... "What is wrong with you folks?? This was the best cult movie ever!"
- 8) And for those of you who've seen the movie more than 10 times: Have a drink and find a decent past-time!
- 9) JSUT REX for lost his dog on trail and he made it run in the street... "BOO HISS - Hey man, don't you know that MVH3 is the dog-friendly hash... we are not the dog-killer hash!"
- 10) YOU'VE GOT TAIL followed POOP DECK on his shortcut. "Are you just plain dumb?! No one and I mean NO ON follows POOP or 14Kt !) We made TAIL drink for cumming last or was it for being stupid enough to follow Poop?
- 11) LUU the May Queen didn't bring his wand. So of course we made him drink. "HELLO!?!? Is there anybody in there?"

OTHER NOTES:

Some of the men really enjoyed the bathroom (maybe a little too much) because of a strategically placed mirror, now called the 'Penis Mirror'. Seems BURITO and most females never notice, as they sit when they pee. ROCKY WHORE and GRANNY BOULDERS won the Rocky Horror Costume Prize (I think boobs had something to do with the judges decision). ROCKY chased DUAL AIRBAGS around shouting, "Look I can make them bounce like yours!" They both had to drink beer from some quite disgusting looking rubber chickens. The Time Warp was performed in place of Swing Lowm although some people, like CRAFTY, tried really hard to get Swing Low started. CONTINENTAL DRIP had the quote of the day, when DUAL AIRBAGS was choking he proclaimed, "I'd do the Heimlich, but it's too hard to get below your tits". And the final excitement was provided by ROCKY WHORE'S truck. The brake lining apparently was broken, and a few macho men wanted to drive it anyway. It was quite a sight to see, trying to turn the truck around in a narrow alley with ditches on both sides. At one point it got stuck and all the guys tried to push it out. Turns out that is a difficult task when the emergency brake is engaged. Anyway the truck finally left, and we anxiously await word of the final outcome.

Whoever bought WHITE Oreos, that's just not right
On-Out!

CO-SCRIBE REPORT

I really have nothing to say because I showed up at start and then left to go work on my new house! It should be noted that BIG SWEATY PUSSY is still attending to MVH3 as On-Sec. Soooo.... what does this mean to the average hasher? Well, if you are late to sign-in you get the ultimate penalty - you get to take the walk of shame toward BSP's shouts of "LATE SIGN-IN!" (and... depending on how late you are, your hash bags gets left out of the hash vehicle. With summer being upon us do you really want no change of clothes and/or shoes at the end? BE ON TIME!)

...if I strained my brain, I could make up something more!!!"

GUEST COMMENTS - SPECIALS

BURNT SOX explained that he was not at the hash due to house hunting... Seems 7 MINUTES just needs more space so she can take SOX into a room and leave him there and hopefully he'll get lost trying to find her in the other part of the house.

It was overheard that those long lost hashers BLACK BOX and GOT BOX may be coming back real soon... seems their real estate holdings have caused a nice windfall and they'll now have the \$5.00 to hash AND the \$50 gas money to drive to the hash from WAAAAYYY down there in Dumfries.

ONLY 2? described trail as "really pleasant".

HOLLOW POINT missed the point of the question.

At the 4th Light (which is the light AFTER the Loudon County parkway) you will make a left, this keeps you on Waxpool Rd.
