tried to anticipate the ON-IN, but got it all wrong, and was the last in a series of several late finishers. **BAD DOG** was one of the last ones in (we were almost finished with the circle). **GRANNY BOULDERS** offered him a beer as he neared the on-in and he proposed marriage to her on the spot.

CIRCLE REPORT

~ ~ 70 Hashers signed in this week! ~ ~

VIRGINS: We recognized **JUST VIRGINIA** for never having done it before. She was brought by **FLY THE FRIENDLY THIGHS** who only seems to cum when she can bring company!

TRAIL REPORT

This week's hash started in a parking lot of an industrial building near two huge conglomerates, AOL and MCI, the competitive air was strong enough to smell (or was it the dipsty dumpster). It was hot and humid even before the hares took off, water checks were on everyone's mind (or at least a beer check). The walker's were led by **FLYING BURITO** and graced by **WOMB BROOM**. **GREAT BALLS OF FIRE** was heard to threaten his loved one because of bad directions to the hash. **LATE COMER** almost didn't make it because she followed some car with an ON-ON sticker that was headed for the fire station on Wiehle Ave. The walkers and runners split at the beginning. Early on, we hit a pond and **BOB's** dog Tessa immediately tested the water. There was rumbling about water sports on trail, but I think they were just jealous. The trail seemed long because of the heat and the walkers had a choice to shortcut or go for the water/beer check and opted for the water check. Bummer was **NO BEER**, just **WATER!!!** **BIG SWEATY PUSSY** ran the last half of the walker's trail. Quite a few regular walkers took the runners trail (**SCREWS EVERYBODY**, **HOT LETS** to name two). Sounds like the runners trail was quite a bit more challenging, with **PI**, water and several 'special' markings by **ASS OGRE**. **MISSING LINK** and **CUM SHOT** aided **ASS OGRE** by not marking a few of the check backs. **CUNNING RUNT** thought **ASS OGRE's** markings were On Over (how do you get that from **AO??????**). **KUMBAYA** was said to have halted sex on trail (on behalf of his dog). **BLANK CHECK** tried to wait at the water crossing and do a repeat of the prior week's wet t-shirt contest, but no go. **CLOROX KID** and **ANDHOSHER BUSH** were heard complaining about the long trail **BUSH** was quoted as saying 'No one had better **EVER** complain about my hashes **EVER** again.' **CORK SCREWED** and **TORE ASS** caught the hares. **S'NOT**

FIRST TIME VISITORS: **JUST LINDA** was our only visitor. She cums to us from WH4. Welcome to the OTHER SIDE!"

GET A LIFE!

ANNIVERSARIES:

DANCES WITH DILDOS

turned 5, but she danced away before we could give her a headband.

YOU'VE GOT TAIL is now exactly in her mid-thirties at 35!

BIG BANG is the BIG 50!

FLYING BURITO blushed a bright orange when he heard he was turning 125 today!

LEAVE IT IN BEAVER is just plain gross at 144!

AND WOW,

LATE COMER really really looks great for 245, doesn't she!?!)

NAMING:

(The MOST sacred part of the Circle!)

We had 2 namings, sisters **JUST AMANDA** and **JUST BETSY**.

Please refer to **JUST BETSY** henceforth and forevermore as **RIDING THE TUBE** because of sex on the metro and please call

Just Amanda "SEED ME AFTER CLASS" because we all know what does on in the mind of a 5th grade Sex-Ed teacher!

VIOLATIONS:

(Oh No... Say it isn't so!)

Rumors are that **FLYING BURITO** has been trying to avoid being violated by working hard to distract **LET'S MAKE A DEAL** in the hope that she'll forget about reporting any violations at the Circle. However, **LET'S MAKE A DEAL** isn't easily distracted and she reported a few for last week's Circle. BUT, for the purposes of this Trash, it was decided that none of the other violations would be listed and that an entire list of **FLYING BURITO** violations would be reported. Soooooo...

Top 10 reasons to violate **FLYING BURITO**:

10. Burritos have beans, which make farts.
9. The word burrito is supposed to have two (2) R's in it!
8. No one has ever seen **FLYING BURITO** actually fly.
7. Flying burritos are the result of throwing food and didn't your Mother always tell you NEVER to throw food?!
6. Burrito insides resemble mashed SH*T, therefore **FLYING BURITO** is just full of SH*T.
5. To figure out if **BURITO** is a regular or Supreme.
4. Inquiring minds want to know once and for all if **BURITO** has any beef left in him?!
3. The Flying Burrito Brothers broke up in 1969.
2. Burritos are full of carbs.

AND the Number One reason to violate **FLYING BURITO**:

1. Because Granny just isn't putting out anymore!

Go here and take the Burrito test & get your Burrito Fortune:
<http://www.klorg.com/humor/burrito.html>

Here is the result I got:

"Today is an **outstanding** day to have a burrito."

OTHER NOTES:

Burgers, hot-dogs, beer & shade were the highlights of the on-in. On-Out!

BITE ME ELMO: "Remember, crappy beer, means, drinking less and passing your breathalyzer..."

LEAVE IT IN BEAVER: I need fellow old farts to form a team for the EWH3 I-DID-A-DAWG hash... maybe I can get you to participate if I tell you I'm thinking of a "Places To Go" theme: someone can dress as a firehydrant, some can be a shoe, someone can be a bush (I VOLUNTEER FOR THAT ONE!), etc. This way we don't have to actually do trail...afterall, these are inanimate objects! We can just go to the end of trail and stand or site around.. As MVH3ers you should be used to doing that!?!? Anyone want to ioin me?
