Hash Trash for 3 March 2007
Run Number 1036

Hares: **Cunning Runt, Dr. Jekyll, Let's Make a Deal and Watergate**

I pulled into the correct parking lot in Reston to find only **Pulls Out Early** and **Cunning Runt** awaiting the arrival of the other hashers. A few minutes later **Byte Lightning** drove up complaining that the directions were wrong and everyone else was in a parking lot "200 yards from the turn at Wiehle Ave". **Byte** you have been hashing long enough to know that any hash directions or hash measurements (**Duals** knows men always lie about size) are not to be taken seriously. **Byte** drove back to the other parking lot to retrieve the wrong way hashers and direct them to the correct starting location. **CRAFTY's** evil twin **Put It Out** finally got someone to pay attention to him and directed us in Father Abraham.

The pack headed off and lost trail before leaving the parking lot. Led by the FRBs, **Byte Lighting, French Toasted** and **Blows a Tranny** the pack followed lots of neatly marked chalk arrows. Someone finally realized that there was no flour and weren't true trail arrows. Resetting itself the pack found a true trail mark (cleverly hidden in plain sight) and was off in search of flour. The hares seemed to have borrowed a well marked Reston Runners trail for this week which gave us good cover in the event we did something wrong and the cops were called. We could just claim to be the Reston Runners and not MVH³.

We managed to annoy several of the local golfers by running through the golf course and onto more of the Reston paths. It was around here that I

Go .4 miles on Old Columbia Pike. Forest Hollow Swim Club parking lot is on your left. If you hit Lincolnia road, you have gone too far.

If you hit Lincolnia road, you have gone too far

found myself running with **PIO** and trying to catch **Pulls Out Early** and another unidentified female hasher. Catching up to both of them **PIO** and I passed by them. I found myself needing to spit and thinking I was clear of the lady hasher I let fly. I immediately heard "you spit on me!" I turned and gasped out an apology whilst **PIO** assured her I had no incurable diseases. I then asked **PIO** what harriet I had nailed with my errant expectorant and he said "dude that wasn't a hasher!" D'oh! So much for good community relations!

Running up a hill and coming off a check **Pulls Out Early** and I hit a BT. We decided to head toward the nearby shopping center and luckily hit flour putting us in great pack position for a very short time. Later another poor choice

off trail and on a muddy parallel path to
French Toasted, Byte Lighting and Put It Out. I continued off trail only to find myself on the wrong side of Lake Fairfax watching pack running on the other side of the lake. Dumb luck and keen hashing instincts came to my rescue and I hit flour on the far side of the lake. A relatively short run up another hill and I ran into **Cork Screwed** and **Snot** at the last check before the ON IN.

The ON IN was held at **Let's Make a Deal's** house and we feasted on rice and curry. Circle was lively but disrupted by a private party being held by **Organ Icer, Let's Make a Deal** and **Cheap Slut.** The evil RA took them to task and circle was resumed.

Virgins: **Just Adriana** and **You've Got Tail** made her cum.
Visitors: Only the White House crowd but they don't count so stated our RA, **Put It Out.**

Returners and Backsliders: **Byte Me Elmo, Hawaiian Puke, Turkey Timer, Corn on the Cock, Big Bang, Blows a Tranny, and Yanky My Wanky**

Analversaries: **Black Hole-25, Tidy Ho-65, Fire and Ice-300, BeCuzHeCan-345, Snot-355, French Toasted-550, Poopdeck-605,** and the leader of the get a life club **Cheap Slut** with 795.

Mis-management

Joint Masters: Corkscrewed & Organ Icer

Religious Advisors: Put It Out & CRAFTY

On-Sec: Dual Airbags

Hash Cash: Loan Shark

Hare Raiser: Rocky Whore & Missing Cheap Slut

Habs: Poop Deck & Whack Me, Smack Me LMLBTS

Co-Scribes: Do Me Next Week & Cuz He Can

Birthdays: **BeCuz He Can** but I didn't have to drink for it.

Violations: The hares for setting a shitty recycled Reston Runners trail and then serving curry ensuring that the pack would have a shitty afternoon and evening. **Pulls Out Early** for not signing up for the AGM because his wife won't let him (I think **Only Two** can give him lessons on the proper training of wives). **Loan Shark** was violated for turning each issue of the Trash into a word puzzle by removing the first letters of every word in each column. **14K Cock** for doing a dog on the family trail. This caused **Bad Dog** to be nominated for attempting to sprint while trying to escape from **14K.** **Organ Icer, Dual Airbags** and **Byte Me Elmo** for having three way lesbian sex on trail and not allowing the male hashers to watch. **Poopdeck** was nominated by **Wankers Aweigh** for going on a trip to Tucson and not taking **Wankers** along. **Put It Out** was cited for having stupid blue cloddy shoes on while doing the circle. **You've Got Tail** was violated for having a hickey which temporarily earned her the new name of **Hickey Ho.** **Cheap Slut** was called forward for not warning our virgin not to follow Snot on trail.

Hash*t: **Let's Make a Deal** was ready to give it up today so she brought the hash*t and her new addition to it some sort of large blue penis shaped thing (now we know why she really missed last week's hash, she was shopping for toys online). **Lulu the Gay Sailor** was nominated for being a wuss last week and staying home because it was too cold. **You've Got Tail** was nominated for the hickey she had acquired. I thought the nominations would close at this point until **Put It Out** decided to relate the unfortunate spitting incident I was involved in while on trail. It looked like I was going to get it without even a vote but a late get out the vote effort by **You've Got Tail** supporters put her over the top in one of the closest hash*t contests in history. So for another week the hash*t remains all in the family
