Hash Trash for 10 March 2007
Run Number 1037

Hares: **Dr. Jekyll**, and the family **Runt**, **Poppa Runt**, **Momma Runt** and **Cunning Runt**

The story you are about to read is true. Only the names have been changed to protect the innocent. **Do Me Next Week** and I headed off to the second consecutive Reston hash. We arrived on time and found hashers and large dogs or maybe ponies were everywhere. After receiving our instructions and after the fashionably late arrival of our RA, Sir **CRAFTY** we demonstrated how to sing Father Abraham to our visitors Trabby, Two Willys, Jackass and Rock Hopper (apparently south of the equator they don't sing Father Abraham).

The pack was then off with **Byte Lightning** leading the pack into the woods. A mix of shiggy, mud and poor trail choices by several had the position of FRB changing hands many times. Among those sighted at the front of the pack were **Byte**, **French Toasted**, + and even **Boy Toy** (his time was short however as he quickly led us all into a BT).

I found myself running through a swamp with **Missed Erections**, **Bad Ditch**, **Turbo Twat** and **CRAFTY**. Except for **CRAFTY** I really enjoyed the company. Did I mention the mud? It was the shoe sucking kind as I discovered when I lost my right shoe. While retrieving my shoe, I watched **Bad Ditch's** horse sized dog run by followed by **Turbo Twat's** foo foo dog. I started to consider what kind of dog we could get by crossing the two or possibly by crossing **Bad Ditch's** Great Dane with a Chihuahua. The resulting dog would probably look something like this:

Mount Vernon Hash# 1030 (March 24, 2007)

10:00 AM --- \$5.00 US

Hares: Nightcrawler, Burnt Sox, Cums In Three Courts & Rocky Whore

Start: Twinbrooke Shopping Center, Braddock Road, Fairfax VA ADC NOVA Map 14 D3

Directions: From 495, take Braddock Road exit #54 WEST. Go approximately 3 miles and it'll be on the left. There is an Outback, Pizza Hut and Safeway in the shopping center.

From 123, go EAST on Braddock Road. Go approximately 2.5 miles and it'll be on the right.

Stroller friendly: Very tough strollers only.

Dog friendly: Yeppers.... but dogs **MUST** be on leash at on-in.

Kinda looks like a transporter accident from one of the many Star Trek TV shows.

A long stretch down a power line right of way led us back into the civilized portion of Reston and onto the paths running behind **Dr. Jekyll** and **Cunning Runt's** house. Beer Near was sighted just as the pack was running out of steam. Following on the doggie theme the pack feasted on hot dogs and potato salad. **Bad Ditch's** doggie did a great job of slobbering on our **CRAFTY** RA during the circle to the great delight of the crowd.

ON ON. – **BeCuz He Can**

Virgins: **Just Conner** and his mom **Just Voided** made him cum.

Visitors: **Trabby**, **Two Willys**, and their kids **Jackass** and **Rock Hopper** joined us from Las Islas Malvinas. They really didn't sound Argentinean. Whatever they were speaking it definitely didn't sound like English. We also learned from **Jackass** that the water in the toilets does circle the other direction down there. (Thanks for asking **CRAFTY** inquiring minds want to know!)

Returners and Backsliders: **Do Me Next Week**, **Turbo Twat**, **Quick Drawers** and **Bad Ditch**.

Namings: We had a naming or maiming this week. **Just Steve** was to receive his new hash name. Thanks to his misadventures last week with **Hickey Ho** (aka **You've Got Tail**). Hickeys were the

primary inspiration. Suggested names included Hickey Mouse, Hickey Licky, Queer Eye for the Hick Eye, Salt on the Rim, Markist Tail, and something to do with vaginas. The voting wasn't even close and the early favorite carried the day. So **Just Steve** will now be known as **Hickey Mouse** and the hash has a new song to sing whenever he is called forward. H I C..., K E Y, M O U S E, Hickey Mouse.....

Analversaries: **Turbo Twat-25**, **Boy Toy-100** (they were tied together while **CRAFTY** sang such a long down down song **Turbo Twat's** hand turned blue. She had several hashers offer themselves to help get the circulation back in her hand. **Boy Toy's** balls may have also turned blue but I didn't look down there), **Screws Everybody-325**, and **Cork Screwed-485**

Birthdays: **BeCuz He Can-32**, **Lulu the Gay Sailor-51**, **Cunning Runt-28** and others.

Violations: **Missing Link** for stealing some homeless guys backpack right from his living room but not taking the couch as well. **BeCuz He Can** for marking trail with a hare's arrow instead of a pack arrow (what do you expect from a cheesehead?). **Do Me Next Week** for a fashion statement, her new China ball cap matched her jacket. **Just Voided** for showing us all that incest is still best by making her son **Just Conner** come. **Lulu the Gay Sailor** was violated for claiming he got stiff but **Let's Make a Deal** would neither confirm nor deny.

Hash*t: **You've Got Tail** lost the hash*t. She claims she left it in her car and then loaned her car to **Lulu** and **Let's Make a Deal**. If so where is her car? The only fair thing to do here is let her keep it until the AGM.

Anal General Erections next week!!!
