*If you don't start in the morning, you can't drink all day!*

Hares: **Night Crawler, Cums in 3 Quarts, Sesame Streetwalker, Burnt Sox, and Rocky Whore**

It was a rainy AGM election day. The candidates all hoped that voter turnout would be high in spite of the weather. **Organ Icer** was busy handing out the Soviet style ballots--one or two candidates for each position running unopposed. Hashers were voting Chicago style, voting early and often.

The hares departed and circle was about to begin when it was noted that **You've Got Tail** had arrived but without the hash\*t. A spy revealed to me that she had left it in her car. I checked the car and found the information accurate and then ratted her out. **Byte Lightning** called her into the circle and she was directed to carry the prize on trail. **Byte Lightning** also pointed out the following media slut violation to me. Apparently **Dual Airbags** is now modeling running clothing. After all, who else would need to wear six jog bras to hold those babies in place?

The pack took off and quickly went wrong at a check. More than half the pack headed right

following nothing when true trail really went left. Things continued downhill from there. With the pack spread out in a swampy area we found ourselves running in both directions on trail until a lucky hasher stumbled on the runner walker split. The FRBs were off again led at various times by **Byte, Runt, and Blows a Tranny**. Another 30 minutes of running found us by a lake and the pack was again running in circles. We spotted **Snot** on the far side of the lake and this time actually decided to follow him. We finally hit the last hill and finished at **Rocky Whore's** new house.

Prior to the start of circle **Cunning Runt** and **2 Hand Job** were engaged in a discussion about puberty sex and hormones. Any mention of sex draws male hashers and **Byte Lightning** and I listened in to see if we could learn something

but we didn't really understand it.

It soon became apparent that many of the walkers were lost on trail again. They had managed to miss the runner walker split. Finally as circle was coming to an end they arrived tired but happy.

morning!

Violations: The Hares for pre-laying trail (as reported by one of the hares **Burnt Sox**), then leaving early to set trail, and losing the walkers on trail. **Blows a Tranny** came in first telling everyone he had **won** the hash. **2 Hand Job** was observed having great phone sex (she never stopped smiling) with someone during the circle. **Running Bear** for arriving before the circle was over. **Byte Me Elmo** wanted to know if it was still okay to call white people Honkys. **Rocky Whore** for moving from a Townhouse to a single family house, (as **Duals** noted you are still a trailer park queen if you have a carport). **Boy Toy** and **Blows a Tranny** after getting out of bed together these two "not gay" hashers had brown sugar and cinnamon and lemonade for breakfast, then they dressed each other exactly alike (Ain't love grand?) **Leave it in Beaver** for a fashion statement his shirt matched his running shoes, and then he tried to hide the offense by changing into a blue shirt. **Cheap Slut, Hands Solo, Tore Ass** and **Just Voided** for auto-hashing. Then finally it was reported to me by **Organ Icer** that **Loan Shark** was instructed by **Hot Legs** to make sure **Wankers Aweigh** didn't take his motorcycle to the hash since the AGM registration form was in the car and he had to turn it in. This was confusing to the scribe and it was going to take a long time to write and type so I just violated all of them.

Hash\*t: **You've Got Tail** high-tailed it home from circle to avoid getting it one more time so a new hash\*t victim was needed. Nominated for the prize were **Blows a Tranny** for "winning the hash". **Loan Shark** was nominated just for being **Loan Shark**. **Rocky Whore** was nominated for setting a "4 mile trail" that took over an hour for the FRBs to run. **Byte Me Elmo** got nominated for her non-PC question about Honky's. **Loan Shark** easily won the crowd over with his sparkling personality and witty repartee. He became a double winner being elected Joint Master and Hash\*t all in one day!
