If you don't start in the morning, you can't drink all day!

This is the time of year all true sports fans crave: it's March Madness. If you don't know what I'm talking about, just get out front in front of the television and get me a beer.

But if you're a believer, here are your picks for the hash's version of the Flatulent Four:

MVH3 Madness.

First Round Matchups

Bronco Buster vs. Billy Goat, MF: Battle of the beasts of burden. Remember: Once you're busted, you never go back.

Roxy Moron vs. Battery Operated Buddy: Hell, I don't care who wins. I just want to watch!

French Toasted vs. Vienna Sausage: In a battle between Austria and France, history has shown us that no one wins.

Qwik Closing vs. You've Got Tail: Tail got eaten by a dog, QC's dog will eat anything. No contest!

Whack Me Smack Me Leather Balls Toe Sucker vs. TED: Final score: 42-3. Not even close!

Cheap Slut vs. Missing Link: Between them, they have run 1,516 of MVH3's 983 runs.

Dual Air Bags vs. Put It Out: Oh, sure they fight, but could it be love? However it ends, it will definitely start in Dumb Fries and there will be at least three tunnels before it's over.

Mount Vernon Hash# 984

10:00 AM - March 18, 2006 -- \$5.00 US

Hares: Corkscrewed, Poop Deck, Puss N Boots
Theme: The SPAM Cook-Off

Start: Centreville Plaza

Directions: Take I-66 towards Centreville and take the Route 28 exit towards Manassass. Follow Route 28 and take the Route 29 exit towards Fairfax. Take the first right onto Old Centreville Rd, turn left into the Centreville Plaza shopping center. Look for the hashers, drop off your SPAM dish, and hash.

Dog Friendly Factor: Dogs welcome, but must be leashed at the On-In.

Stroller Friendly Factor: Trail is tough stroller friendly.

Miscellaneous: Maybe wet feet, maybe a hill or two other than that flat, dry and short. So you may want to bring dry shoes and clothes. A bag vehicle will be provided.

Blank Check vs. Let's Make a Deal: The color settings on your television do not need adjusting.

'SNot vs. Corkscrewed: Have run Mt. Vernon for over 15 years, but because they both shortcut every trail, only met last week.

Nippon Tuck vs. Turbo Twat: The youngsters of Mt. Vernon come to see what the ravages of time wreak on the aging hasher, and they are very, very scared.

Tore Ass vs. Hot Legs: Sports fans, it doesn't sound like a lot of fun either way.

Me Up Buttercup vs. Bavarian Bush:

Primarily I'd take bush over puke hands down, but I'm not sure I could stomach rooting for bush these days.

Great Balls of Fire vs. Organ Icer: Got that burning sensation (again)? Ice the b&tch!

Sesame Street Walker vs. Bite Me Elmo: The winner takes on **Big Bird Turd**... or can you say threesome?!

Byte Lightning vs. Loan Shark: One runs real fast and talks a lot. The other has the runs a lot and is a fast talker.

Blows a Tranny vs. Lulu the Gay Sailor: One likes to go down and is surrounded by seamen. The other is not a Joint Master.

On-on, Burnt Sox
