If you don't start in the morning, you can't drink all day!

One of the fondest traditions of the Mt. Vernon Annual General Meeting is the chance to say farewell, fondly at times, to the past year's mismanagement. Remember: anything that sucks up here in Frederick is their fault. The only better tradition is making fun of mismanagement so, without further a-doo, let's start the presentations for the 20th Annual Hashie™ Awards:

Best Joint Master – Male Performance – **Lulu the Gay Sailor** “I can remember it like it was my tenth run... actually, it was my tenth run when **Poop Deck** talked me into running for Joint Minstrel. It's been a fun year as Joint Minister, and the best part has been the steady stream of email from my friends on mis-management. It's with a bit of sadness that I lead my final round of 'Ather Abraham as Joint Mackerel--especially since I just learned the words. Thank you!”

Best Joint Master – Female Performance – **Let's Make A Deal** “Oh, this is so much fun. We'll have to do this again next week, and everyone can wear pink, and maybe matching socks. I'll bake cookies. What do you say we just end at our house... hey, maybe we can just even run around our house and end in the rec room. **Lulu** won't mind as long as I promise to play “Illegal formation” with him tonight. Thank you!”

Best Religious Advisor – Female Performance – **Dual Airbags** “Hey, how about a song for those Hash Masters, er, Joint Masters. They're out here every Sunday, oh, Saturday with the Over the... no, wait, Mt. Vernon H3. Whatever... everyone sing. Hey, buddy, I'm not carrying these for show, and I'm not afraid to whip one off and beat you so hard you'll think Hillary is President. Now, sing! And thank you!”

Mt. Vernon H3 Run #992 - May 6, 2006 – 10 am – US\$5

Hares: And How's Her Bush, Burnt Sox, Anal Estrada & Bavarian Bush

Location: Oakcrest Junior-Senior High School for Girls; 850 Balls Hill Road, McLean, VA 22101

Directions:

From Fairfax/Burke/Springfield and parts SOUTH:

Once again... Find your way toward the beltway (via I66, Route 50, Little River Turnpike, Braddock Road, I95, East or North... which ever the case may be). Take a **LEFT** onto I495 toward Cabin John Bridge / Tysons / Rockville (that's the inner loop... you wankers!!). Eventually... get into the far **RIGHT** lane and take the exit for **Georgetown Pike (Route 193)**. Take a **RIGHT** onto **Georgetown Pike** and then an immediate **LEFT** onto **Balls Hill Road**, the school will be on your **LEFT**. Park and look for wankers.

From the inside of the Beltway and other points EAST:

Follow the directions above... except it's a **RIGHT** onto I495 toward Cabin John Bridge / Tysons / Rockville (err... that's still the inner loop... you wankers!!).

- Tough Dogs only (and I would say... Walker's Trail only)
- Short-cuts for strollers.
- A to B trail and there's lots of foliage out there... so please come prepared.

Best Religious Advisor – Male Performance – **Poop Deck** “Funny thing happened on the way in from the golf course. I was nowhere near trail, and I ran into **Quick Drawers**, **Corkscrewed**, and **S'Not**. Damnedest thing. Anyway, I want to wrap this up quick because we have a tee time in about 20 minutes, but it's been a great year. Gotta point out that I've now had every position in MVH3 mis-management. Twice. And I'll be back but, for now, thank you!”

Best Haberdasher – Team – **Puke Me Up, Buttercup & Whack Me, Smack Me, Lick My Leather Balls, Toesucker** “Buttercup, this reminds of that one time at rugby camp—Anyway,

had a fun time choosing bright durable clothes for the hash to wear.” “But Whack Me, I think it’s time for us to come clean. Hashers, we have to confess that every single hab item we’ve ordered for the hash is a knockoff of something we’ve worn at a rugby match. Yep, even the t-shirt for the babies.” “Buttercup, that a big ziggy, zaggy, oi, oi, oi for everyone. Thank you!”

Best On Sec – Bite Me Elmo “I don’t know what to say—they told me to hurry it up, so I actually gave my speech on my way into the beer hall. I just wanna say that after 980 or 990-something runs, including at least the 40 or so we’ve had this year, it’s been a pleasure to chart Mt. Vernon’s history, each week when you all sign in. And, most importantly, it’s been great taking the \$4.50 from you, too. I think the most important thing is that everyone had fun this year, because I really have no idea exactly how many times you ran, who hared, or where that missing \$500 of hash cash is. Oh, yeah, I want to thank **Special Delivery**, who is a much better baby out of my womb, and **Great Balls of Fire**, who ain’t getting near me again after what happened last time. Thank you!”

Best Hare Raiser – Because He Can “When I look back on my two years of nagging people to lay trail: 106 trails, to be exact, 38 laid by **Poop Deck**, 37 by **Missing Link** and 31 by **Corkscrewed**. Frankly, it’s a miracle anyone was able to follow the directions to the start, and it’s a friggin’ miracle someone didn’t die of old age on one of those **French Toasted** deathmarches. The best part,

Mis-management – 2006-07

Joint Masters: Corkscrewed & OrganIcer
Religious Advisors: Put It Out & CRAFTY
On-Sec: Dual Air Bags
Hash Cash: Loan Shark
Hare Raiser: Rocky Whore
Habs: Cheap Slut & Whack Me, Smack Me LMLBTS

though, was getting **Do Me Next Week** to do the job for me on my trips with the fellas. Honey, any time you need trail laid around the house, just blow yer whistle! Thank you!”

Best WebMaster – Harddrive “DCHASHING. ORG. What more can I say... oh, how about the Mt. Vernon Hash Humpday Happy Hour (MVH6)? Last Wednesday, MVH6 met, and what a nice little happy hour it was. Despite my claims of \$2 beers they were actually only \$1 - any beer on the menu. I saw Guinness, Bass and Sierra Nevada as well as all those crap beers grace our tables. Thanks to all of those that showed up. We will repeat in a couple of weeks. Next stop will be Stray Cat Cafe and then back to Charley Horse for another round of really cheap prices on beer. Thanks!”

Best Scribes – Burnt Sox, Two Hand Job, TED, Just Voided “Wow, a lot of scribes.” “Who’s going to say something?” “I wasn’t even here last week.” “I won’t be here next week.” “I’m here and I want to say something.” “I do, too. Can we both give the speech?” “It won’t be very funny.” “Someone’s gotta say something.” “Just copy one of the speeches someone else gave, and change the names.” “No one will ever know.” “Just make something up.” “Who has the anniversary list?” “Make that up, too.” “Time’s up.” “Well, thank you!”

Best Hash Cash – OrganIcer “Since I’m getting this award, the checks I wrote the judges cleared must have all cleared. That’s a joke—every since we lowered the hares’ budget to \$175, I’ve been coming out \$40, \$50 ahead every week, and that’s just straight-into-my-pocket profit. Why, I must have cleared at least \$500, and I’ll just blame in on **Loan Shark** when he becomes Hash Cash – who’s going to take his word over mine? Confession is good for the soul, and so is MVH3. I enjoyed the year, visiting hours in the pen are from 10-2, and I am happy to be a Joint Master for the coming year. Thanks!”
