I understand that drinking, walking, and dancing and many other activities are potentially hazardous to my health and wellbeing. By signing this waiver, paying money to WH4, and attending the event I agree that any injury I incur is my own fault. Further, I understand that if I am white, that no matter how much alcohol I consume, my dancing in fact does not get any better and likely poses a threat to others. I also understand that if my name is Hokie No Pokie that I would be doing everyone a favor and reduce the total risk of injury to myself and others if I just stay in the cage supplied by the venue. Finally, I agree that I will not hold any member of the White House Hash House Harriers or anyone even remotely connected to them responsible for any accidents, losses, death or general disappointment that may be caused by myself or the actions of others in attendance to this event. I acknowledge that I am 21 years of age or older and am accountable for my own actions.
