Hash # 881

We're the Nymphs of Spring and we're so boy crazy.

Prissy little bitches we should show them some girl love. Yeah, some girl love or just kick their asses.

Oh, but it's Spring and we want boys.

Who's your Daddy. Say my name bitch, who's your Daddy?

I thought this was just a Pittsburgh thing. I didn't know you were into girls too.

I haven't see this kind of action since Bible Camp.

That was so good for me TA. You don't think the Nymphs are prettier than me, do you?

Can't I get in on some of this lovin', it would be a public service for a defender of the Free World.

Come here Big Boy. I'll polish your little soldier.

Hey, hey, hey, this is getting out of control. I'm going to go lay a trail.

\$50, you said that you loved me best. I saw you with that girl. Prove you love me.

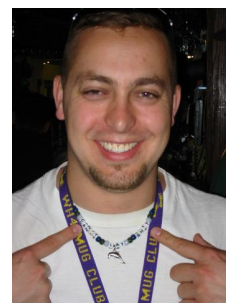

Turn you head away, Honey, there's nothing here for you to see.

Girls will be girls. What else can you do but pull up a chair and watch.

Vom, you smell so good. That running bra is such a turn-on. I want to taste you now!

Their problem is they haven't had any of this! My tongue is eight inches long.

Oh, Vom, Tri Ass A Thong means nothing to me, she just a piece of ass. And I was drunk.

This is pretty hot. Is there room for me?

Assfixiation, forget them. Let me show you what I can do with my tongue.

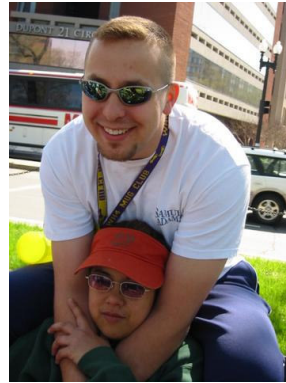

I don't want to be a Nympho anymore. US Boobs, let's make it a threesome.

I did a little experimenting in college with the softball team. How about you?

Let me show you how we did it at Brown. See, if you cum up from the bottom, you can get your tongue all the way up in there.

You chicks don't have God damn idea of what you're doing!

I call this the Golden Retriever. It will hurt at first but then you'll really like it.

I haven't really done this before. Where do you put it?

See, you hold from the front and then work around to the back.

Wait, wait, wait! Hold on let me get my camera.

Oh well, screw the camera, I'll take some of this instead.
