Quote of the Week

"This dog is a good judge of character. He thinks I am great!" **Beetle Juice**

Love Sucks, Lust swallows.

The last weekend before the big Valentine's day, we were treated to a gorgeous afternoon (thanks **Red Eyed Vagina**) and a trail through Rock Creek's frozen tundra (thanks to the hares: **Keil Bastard, Jesus' Bitch, Eat Me for Breakfast, Trouser Snake**, and supposedly **Evil Jesus**, who was AWOL – Guess this is the White House Hash so it is all-tight. They set out to prove that Love Sucks! And so did this trail. Thanks for the misery, but more for the beer.

Over the Pill

Reminder:
March 17 is Steak and Blowjob Day

So if you actually are one of the lost few who have that special someone to share Valentine's Day with, then you no doubt have spent hours and hours planning the perfect day to share this special holiday. But let's face it – VD is something women get, and men just go along with.

So why do we go through the trouble of buying bears (beers?), candy, flowers, and spending along time with our women? Cause in just 1 month and 3 days it is Steak and Blowjob Day.

This is truly a Man's Holiday. It is quite simple to celebrate. On March 17, fix your Man a steak, and pucker up those DSLs.

All the men can thank me later for this reminder.

Anal Avenger and **Purple People Eater** boasted about the Harriets that would be their Valentines, while our beloved **RUN?** brought her Valentine to the Hash (pictured to the right).. She was quoted as saying, "Size does matter! And I can fit in every last inch of him." Wow! That is impressive!

Truck Driver or Porn Star??

Why, WOWO? Why?

Show me love, Baby...

A little love goes a long way ...

Every Hash has its Thong

Just Cecily was brought down to her knees for a solemn occasion. Embarrassing pastimes were relived through **Solicitor Genitals** and **RUN?**, many of which allowing naming suggestions such as Too Tall to Ride this Ride, Screwed by Bush, and Raging Furry. Hashers were engaged in deliberating notions, counting all the proxies, and allowing for Florida's Supreme Court decision – Free Bush was eliminated. When all was said and bone, Just Cecily was hashened forevermore as **Thong but not forgotten**.

Visitors, Virgins and Long Time No See'ers

Visitors: None. Guess they heard about us...

Virgins: **Just Craig, Just Brad, Just Tom, Just Jeff**. They didn't hear about us.

LTNS: **Eat me for Breakfast, Jiffy Lube, Jesus' Bitch, No Butts No Glory, Argeatuna, Semen Sampler, Dumb Blonde**.
