### PUDJAMO's Best Hashes REVIELED!

We were honored to have a regional trifecta (one State, one Commonwealth, and one District) coalition of hares from PUDJAMO set trail for World Hash Day. I liked the trail. Did I say that out loud? Without further delay, the All Star cast and their respective platforms:

S.H.I.T. **Clorox Kid** - West Virginia Moonshine Down Downs

EWB3 - **Lumber Jack Off** - Trust me, you are too old for Lord of the Flies hash

Full Moon - **Burning Bush** - Sure, if you only want to cum once a month

Mount Vernon - 10am??? R\*nnng, Cornish game hens, and Evian for everyone!

Great Falls - ...except at Great Falls and we suck - 'Nuff said.

White House - Drink the free beer!

#### Irrefutable proof the anthem IS true:

Cocksucker, mother fucker,  
eat a bag of shit!

Cunt grabber, douche bag,  
bite your mama's tit!

We're the **White House Hash**

All the others suck

**White House Hash**

**White House Hash**

Shit, piss, fuck!

#### See You In Tea...

My favorite word is cunt. Yes, I wrote it. Cunt, cunt, cunt. No other word can rapidly provoke such offence. If cunt were a person, she would obviously be a hasher. All the other good profanity has been diluted and clichéd. Yet cunt remains as the last relic of a colored vocabulary. Even my second favorite word fuckerpants© pales in comparison. Cunt is a symbol of our depleted array of disparaging words, the last of the Mohegans, the lonely PBR in **Put It Out's** cooler after 7-11 is closed, cunt stands proud and unrivaled in its kitsch.

For the preservation of a most vile word:

Please use cunt wisely.

## Violations

Pass information to your local member of mismanagement. Do not try to apprehend!

1. **Leave t in Beaver - (Cinderella)** Take off the tag wanker!
2. **RUN? - (lewd conduct)** "I wonder if people will notice if I fall/go down on 5 guys?"
3. **General's Farm Animal - (Fashion)** "Just because I have a fishnet shirt on does not indicate I am a porn star!"
4. **Starfish Trooper - (Beer Teasing/Tainting)** "I did not know I put my dog in front of the circle beer they would drink it." DUH! If you put any hasher in front of beer...
