Quote of the Week

"I don't know what it is about a hash, but I am always Nippin'." TITTLY WINKS

Beer, Beer, Ber, Behr...

Three trails, two beer bitches, and a lot of our beverage of choice. That about sums up the Third Annual Beer Madness Trail, laid by our beloved **Fuck 'em Dano**, the always rambunctious **Hey Ho**, the master of the clit **Cum Scout**, sweet sodomy-loving **Brown Eyed Swirl**, the fresh smelling **Just Beth**, and a roughed up but always determined **Tough Woman in Green**. One would like think a Hash dedicated to the honor of beer would be a true hardship, but the always cool **\$50 Bitch** and the rest of Brew Crew were well prepared for the festivities. Not one, not two, but FIVE Beer Checks adorned this great day of Hashing Atonement. We were later treated to a very happy and pleasant **Red Eyed Vagina** who skillfully managed to entertain a handful of attentive hashers... proving again he is a very cunning-linguist.

One truth is that our Grand Masterette **Tittly Winks** proved that she loves to suck AND blow, as displayed below on **38 Flavors** candy ring and **REV's** noise maker, respectively. NotiCe the fascination of **Sucks Cock for Crack**.

Can we really handle 2 beer bitches???

Just Cora and **Just Maia** combined forces to be our dueling beer bitches. **Rear Area Security** proclaimed he was in favor of doubling this position as it gave Hashers the opportunity to be serviced by multiple unnamed (and unknowing) bitches... I mean ... actually beer wenches (for all you PC folks). He stated, "Variety is the true spice of life." And he's right... there's light, dark, domestic, multiple... all kinds of ways I take my women... I mean beer!

Please do not look at her nipple!

I don't see anything wrong with that, Mr. Bush

Violations

1. **Beanie Globin** – The most heinous of all Hashing crimes. RACING! Why??
2. **Can't Get Beaver** – Pissing on **WOWO's** house during a beer check.
3. **Gimmeadick** – Tongue kissing **WOWO's** dog.
4. **US Boobs and Oral Report** – Singing a Country song about **WOWO**.
5. **Bronco Buster** – Undressing a Harrier... wait! What is wrong wit dat?
6. **Can't Get Beaver** – Can't take the heat of being around so many hot Harriers.

Long Time No Seers

And lots of 'em! Funny how Beer Madness brings back so many old faces. We were graced with the presence of **AsstroTurf**, **Bite Me Elmo**, **Butt Plug**, **Dicky Ricardo**, **Double Stuffed Whoreo**, **Douches Wild**, **EuroTrash Barbie**, **Gay**, **KY Jelly**, **Looney Soccer Dad**, **Piggly Wiggly**, **Smoking the Beaver**, **Tip Her Whip Her**, **Well Drilled**, **Yank Me Out**, and (ironically) **Back for More**. Thanks for cumming out, and hope to see you (naked) soon!

On On, **EgoTesticle**
