### Quote of the Week

**Just Carol** with "Is someone talking to me?" Yes, Carol. Look down. Its Turbo.

### Bunny Bunny Foo Foes Sighted Hopping Through the Forest

Thank for the ears, PIO!

"Has anyone seen my chocolate bunny," lamented **PIO** last Sunday. "I left it right here. It was the one with no ears." **PIO** was later seen happily munching on Chicks and Peeps.

The hare was **Pay Per View**. **Hard Drive** was there in spirit. It started in a park near the metro rail. Notice I didn't say near a metro? Keep that in mind people. In the Easter spirit, we hopped around aimlessly wearing pink bunny ears. "We didn't want to draw attention to ourselves", said **Gimme a Dick**. "We opted for the ears instead of the bonnets." Good thinking!

We started off in one direction then went another. Ran in a circle and ended where we started. We blew a few whistles and yelled a few, "ONON's". Lucky whistles. No one said anything stupid and there was no sex on trail. In a post Easter Brunch coma I forgot I was the scribe at least three times. So maybe I just didn't notice.

### Fuck-Buddy Becomes Fuck-Fiancé

ALEXANDRIA, VA

In spite of the explicitly casual nature of their relationship, fuck-buddies **Just Carol** and **Bright Lights Big Titties** are engaged, a friend **WOWO** reported Tuesday. "**JC** and **BLBT** have been fooling around for years, but **BLBT** said they were just friends," **WOWO** said. "I was shocked when **JC** showed up wearing a ring." Later that day, the couple reportedly opened a fuck-joint-checking account.

## Just Allen Named Beer Bitch

With much fortitude and dedication, Just Allen has been showing up enough to actually be noticed. Actually we noticed him earlier as the big goofy guy (see archival photo). He is a quiet guy from Wyoming. He has a dog named, Babe. And he likes to swing an axe.

Ladies we need to get to know him, so we can hold it against him at his naming.

## Violations

**Just Ashley** got wet, but in all the wrong places.

**Somebody** got violated for failing to get her wet in the right places.

## Just Ashley

Well she wouldn't go away so we finally had to name her. Armed with stories from her sister, **Just Ryan**, and carefully crafted questions for the RA, **Gimme A Dick**, the hash combined brainpower to name **Just Ashley**. Originally from California, **Just Ashley's** favorite barnyard animal is the goat and she really likes her vibrator, which she plugs in. She likes her meat medium rare and she really likes sausage. With that information and much more, the hash voted for **Silly Rabbit**, **Pricks are for Tits**.

## Nuts (and Berries)

**Virgins:** **Just Ryan** who was the sister of **Just Ashley**.

**Visitors:** None

**Analversaries:** **Continental Drip** got a mug. That's 25 runs right?

**Long Time No Seers:** **Continental Drip**, **Just Tits**, **Nice Tits** and **Jimi Hendrix**
