Hash #1014: Bill Wagner Birthday Hash #60

~*~*~*~*~*~*~*~*~*~*~*~*~*

Location: Catholic U- The Annual Bill
Wagner Birthday hash

Hares: Mellow Foreskin Cheese, Short Bus Bitch, US Boobs and Oral Report, Duck Duck Bush, Anal Fission, and Hasher Humper.

Virgins: Just Anne-Marie, Just Steve, Just Billy, Just Tom, and Just Dave.

There are so many birthdays in June; it makes you wonder what was nine months beforehand in October. What do hashers associate with October? Red Dress Run! **Mellow Foreskin Cheese** was born before the red dress was invented, but it is possible that young **Short Bus Bitch** was conceived at this time ten years ago by her hash mom, **Black Box**. **Ms. Box** could not be located to

comment. **Hasher Humper** was not born but created by the hash God when her and **Sir Spinal Tap**, ancestors of all WH4 hashers, were created just after God made air, light, and beer. **Us Boobs and Oral Report** sprang forth full-grown from the pages of a not-so reputable news publication (the debate is still out if it was Penthouse or Maxim), **Duck Duck Bush** is a distant illegitimate cousin of **Duck Job** that just appeared one day, and I have no idea where **Anal Fission** came from.

The trail started with a number of hills- we r*n up and then up, and then we r*n up again. **Hokey No Pokey** ran full-force into a tree with his head, and should wear a helmet (I have one you can borrow). His gushing forehead scared a group of local girls. The real fun came when we hit a patch of shiggy and a number of BMX bike trails. **Put It Out** loudly screamed

wheweeee! as he played in the dirt. **Big Bang** and **SucksCockForCrack** leaped over the hills as if they were flying or had just eaten fifteen burritos each. **SCFC** claimed the power was in his Yarmulke. **Test Tube Baby** was reminded of DC summer sinkholes, and screamed as he ran out of the woods. **Hornblower** was smarter than the average hasher and shortcut around the whole debacle.

The beer check was at the home of **US Boobs**, whose neighbors were amused and scared by the sight of the pack. **Knee Deep**'s hash doggie almost ate the neighbor's two pets, which resembled fuzzy slippers.

NewsFlash: Biggie Smalls threatens to whoop some Yellow Weenie Ass

Yellow Submarine, our resident WH4 investigative journalist, was taking pictures of silly hash behavior when Biggie and his Ho were nearby in a parked car. The Ho was extremely upset, thinking she was captured on film, and ordered Biggie to "Whoop some **Yellow White-boy Weenie Ass**." Biggie emerged from his car, and **Yellow Sub, Big Bang, Rodeo Fuck**, and **Red Eye Vagina** took off running. Biggie Smalls is no match for the skinny white boy hash posse, who outran his ass.

Violations- **S'Not** wore clothes that didn't have any holes, **Hokey** was still bleeding, **Duck Job** wore shorts from a 50K, **Das Kunt** trained his virgin to be a FRB and find trail, and the hares had the most heinous violation: they planted a decoy beer van on trail. The pack r*n up another hill toward what they thought was **SSBB** waiting with

refreshments, but it was not The Beer Van, but some other crappy vehicle. **WoWo** and **Semen on the Pew** were seen banging on the back door (of the van), and **Tit-ly Winks** broke down and sobbed in the street.

Happy Beer Mug says:

"Only YOU can stop bad head. If you see some, blow and put your finger in it."

Long Time No Seers: Breathless, Cums In a Sailor, Dead Hare, Mother May I, Nut Mechanic, Short bus Bitch, S'Not, Well Drilled, Wooley Mammaries, US Boobs, Turtle Dick, Eats the Worm, and Stay Fucked Beer Wench Girl.

Anniversaries- **Yank Me Out** (100), **It's Butt Fucking Time** (25).

Naming: Just Mike has been hashing with WH4 for almost three months and was due for a name. He became **Chumming the Daughter** for having intimate relations with a young lady on a farm in a lake when a fish bit his ass.

Hashsh*t: There were so many nominees- and **Wang Chunks** was trying to get rid of the Hashsh*t shirt by ripping off parts of it and wearing them Flashdance style. He's a maniac. Nominees were **Mellow, BigBang, MotorMouth**, and **Mother May I**. **MMI** won for throwing cake at the RA, and now we are all going to hell because Yahweh is mad.

And that's all I remember (or made up.)
